IMPORTANT ACCOUNT INFORMATION

We are updating the Deposit Account Agreement ("Agreement") dated May 28, 2021. Effective August 9, 2021, in the section of the Agreement titled "Closing Accounts," the subsection "Closing your account if the balance is zero" is deleted and replaced with the following:

Accounts with a zero balance will continue to be charged applicable fees (like the monthly service fee) until you request to close your account. We may close an account (except analyzed business accounts) with a zero balance on the fee period ending date or at month end without prior notification to you. Once an account is closed (either by you or us), no fees will be assessed on the account.

- To prevent closure by us, an account with a zero balance must have a qualifying transaction posted within the last two months of the most recent fee period ending date. IOLTA and RETA accounts require a qualifying transaction within ten months of the most recent fee period ending date.

- Examples of qualifying transactions are deposits and withdrawals made at a branch, ATM, online, mobile, or via telephone; one-time and recurring transfers made at a branch, ATM, online, mobile, or via telephone; automatic or electronic deposits, such as from payroll or government benefits; automatic or electronic payments, including Bill Pay; one-time and recurring purchases or payments made using a card or mobile device; and checks paid from the account. IOLTA and RETA accounts are not eligible for ATM cards or debit cards.

- Bank-originated transactions, like monthly service or other fees, are not considered qualifying transactions that will prevent closure of an account with a zero balance.

All other aspects of the Agreement remain the same. If there is a conflict between the updated language above and the Agreement, the updated language will control. The most recent Deposit Account Agreement and related addenda are located online at wellsfargo.com/online-banking/consumer-account-fees.
